On Friday Jade and I drove the Dash around the classroom and had a race, I won! We pushed Lucy's toy around with Dash and played with the sounds and colours and made the dash's dance. It was so much fun.

Fun Friday by Jessica

On the 8th of March Jade and I played board games for Fun Friday. One of the board games was called Hues and Cues. In the game we had to look at a card and describe the color, then the other person had a guess. We also did a marble race track. I won! It was so much fun.
